**CSUR's mission is to provide  
education, support and compassion  
to reduce bias, stigma, and the harm  
of substance use in our rural  
communities.**

**VOICES OF HOPE**

**The mission of Voices of Hope is to inspire  
hope and actively support people affected by  
substance use. We advocate to increase  
local resources and raise awareness about  
substance use and the importance of  
compassion in the Deerfield Valley.**
