

Input on Community Assets from the October Advisory Committee Meetings

Contact Name/ Organization	Topic	Layer	Determinant, If Appropriate	Description (Question/ Factor)
Michelle Fay - "Voices for Vermont's Children"	Maternal & Family	Fair & Just Society		Minimum wage & paid FML.
Michelle Fay - "Voices for Vermont's Children"	Maternal & Family	Fair & Just Society		VT Educational Equity Project.
	Maternal & Family	Fair & Just Society		Investments in greater efficiency in older housing stock.
Sadie	Maternal & Family	Fair & Just Society		Building Bright Future Councils
Lilly Talbert- "VT Commission on Women"	Maternal & Family	Fair & Just Society		
Andrea Green	Maternal & Family	Fair & Just Society		All are welcome symbol- Burlington Highschool.
Amanda - "Outright Vermont"	Maternal & Family	Fair & Just Society		
Chol Dhoor "Sudene Foundation of Vermont"	Maternal & Family	Fair & Just Society		Understanding of Inequality
Chol Dhoor "Sudene Foundation of Vermont"	Maternal & Family	Social Determinants	Civic Engagements & Community Connections	Prevention of youth influence on drugs/smoking.
Michelle Fay - "Voices for Vermont's Children"	Maternal & Family	Social Determinants	Safe & Supported Early Childhood Development	Childcare financial assistance program- Access to affordable, high quality childcare.
Sarah Squirrel "BBF"	Maternal & Family	Social Determinants	Safe & Supported Early Childhood Development	Preventing adverse childhood experiences- Promoting & strengthening family framework, Protective factors.
Sarah Squirrel "BBF"	Maternal & Family	Social Determinants	Safe & Supported Early Childhood Development	Access to high quality, early care & learning settings.
	Maternal & Family	Social Determinants	Safe & Supported Early Childhood Development	Supportive Employment policies enable pre-natal care?
Sarah Squirrel "BBF"	Maternal & Family	Social Determinants	Safe & Supported Early Childhood Development	Multi- generational approaches- Home visiting.
Julia Shaw	Maternal & Family	Social Determinants	Safe & Supported Early Childhood Development	Health Care Advocate
Laura Capps- Efficiency Vermont	Maternal & Family	Social Determinants	Safe Quality Homes	Reducing mental health stress improving energy affordability, comfort, & security in homes.
Andrea Green- PNAC- "UVM Children's"	Maternal & Family	Social Determinants	Safe & Efficient Transportation	New American Safety Day.
Lilly Talbert- "VT Commission on Women"	Maternal & Family	Social Determinants	Economic Prosperity, equitable law, & justice system.	
Laura Capps- Efficiency Vermont	Maternal & Family	Population Health Outcomes		Educating health care providers, consumers, & contractors on connections between health & housing.
Laura Capps- Efficiency Vermont	Maternal & Family	Population Health Outcomes		Cross referencing patients to services through OneTouch Vermont.
Kalyn Rosenberg - "Bridges to Health"	Maternal & Family	Population Health Outcomes		Care coordination for Latino farm workers including: women, children, & prenatal care.
Devon "VAHHS"	Maternal & Family	Population Health Outcomes		Outreach & education around coverage of prenatal care.
Emma Harrigan "DMH"	Maternal & Family	Population Health Outcomes		
Julia Shaw "Healthcare Advocate"	Maternal & Family	Population Health Outcomes		
Karen Deane- "CH/CHT"	Maternal & Family	Population Health Outcomes		Pediatric health education. Especially new American Families.
Andrea Green- PNAC- "UVM Children's"	Maternal & Family	Population Health Outcomes		Sexual Health classes at BHS
Kelsey Francis- "Fatin Lund"	Maternal & Family	Population Health Outcomes		Comprehensive sexual health education: individual & group instruction & contraceptive education. Statewide options counselor for pregnancy planning.
Tyler Gauthier- "OneCare VT"	Maternal & Family	Population Health Outcomes		Family medicine; South Burlington opening grant funded family planning clinic.
Vermont Dental Society	Maternal & Family	Aspirational		Break cycle of poor oral health habits- treat & educate pregnant mothers.
Julie S- "CVHS"	Maternal & Family	Aspirational		It would be great if medicaid could cover dental & vision fully for adults. Good dental for adults might lead to improved dental care for children as it will be seen as apriority. Also 100% dental & vision coverage allows parents to have good teeth/ glasses that allow them to get jobs where looks matter. Will help them feel good about themselves.
Kelsey Francis- "Fatin Lund"	Maternal & Family	Aspirational		Sexual health education should be its own course that is mandatory for high school graduation. (And ideally taught K-12)
Lilly Talbert- "VT Commission on Women"	Access to Care & Linkages	Fair & Just Society		
Hunger Free Vermont	Access to Care & Linkages	Fair & Just Society		Advocate for stigma reducing food power.
Julia Shaw- Health Care Advocate	Access to Care & Linkages	Fair & Just Society		Advocacy re: All- payer model/ ACOS
Tyler Gauthier- "OneCare VT"	Access to Care & Linkages	Fair & Just Society		Embedded mental health in SASH communities. * pilot funding
	Access to Care & Linkages	Fair & Just Society		Improve competency & confidence of doctors, dentists, PT's etc, trained through Special Olympics Vermont - Healthy Athletes Program. We have research- lots of data!
Amanda Rohdenburg- "Outright Vermont"	Access to Care & Linkages	Fair & Just Society		

Contact Name/ Organization	Topic	Layer	Determinant, If Appropriate	Description (Question/ Factor)
Emma Harrigan "DMH"	Access to Care & Linkages	Social Determinants	Civic Engagements & Community Connections	
Chol Dhoor "Sudene Foundation of Vermont"	Access to Care & Linkages	Social Determinants	Civic Engagements & Community Connections	Community Engagement.
VRRP	Access to Care & Linkages	Social Determinants	Strong Vibrant Communities	Cultural orientation which includes transportation, housing, health, social adjustment, etc...
VRRP	Access to Care & Linkages	Social Determinants	Family Wage jobs & Job Opportunities	Employment support for new arrivals & refugees in the first year in the U.S.
