Docket No. MPC 089-0516

ORDER

Respondent's petition for relief from the CME requirements of her March 1, 2017 Stipulation and Consent Order is hereby GRANTED. Respondent has complied with and satisfied all of the terms and conditions of the CME requirements in paragraph 1 of the Order section of her Stipulation and Consent Order. The condition in paragraph 2 of the Order section of her Stipulation and Consent Order remains in full force and effect. Therefore, this Order is issued and entered by the Board of Medical Practice to remove the condition requiring completion of CME and a report to the Board imposed by the Stipulation and Consent Order in Docket No. MPC 089-0516.
