NOTICE OF ENTRY ORDER

Kirsten Lanpher, PA-C, submitted a request that the Board remove the conditions of reentry established in the Board’s Second Amended Stipulation and Consent Order for Licensure dated January 5, 2023. Documentation of satisfaction of the reentry conditions was submitted with the request. The Central Investigative Committee reviewed the request, determined that the conditions of reentry had been satisfied, and agreed to approve the request to remove the conditions on PA-C Lanpher’s license. The conditions established in the Stipulation and Consent Order of February 5, 2020 and the Amended Stipulation and Consent Order of October 5, 2022 all had been superseded. Therefore, there being no conditions remaining, PA-C Lanpher has a full and unconditioned license as of this day.
