EMS Office Updates

- A Training Administrator has been hired, starting mid-April
- EMS vacation administration continues – there was a slowdown of vaccine delivery to the state.
- Protocol update for 2022 is under works. The group has been meeting and going through each protocol in detail.
- Online licensing program is being developed and should be available soon
- Drew asked about EMS Buyer's Guide – Will is going to look into it

Educational Committee Updates

- deadline for the committee's work is March 31- act 124
- Brendan Atwood (policy advisor to the Dept of Health) will be working with the education committee in order to help get this work done.
- IC certification level workgroup – IC survey was sent out and has received 62% responses
- Based on a survey most states have multiple level of instructor licensure levels
- Most states still do a psychomotor exam
- Advisory meeting will meet to review final proposals

Minutes from February 12, 2021 meeting approved.

Next Meeting Friday April 2 at 10:00 am
