Licensing Matter

NOTICE OF ENTRY ORDER

Martin G. Carmody, DPM, submitted a request that the Board issue the renewal of his license to practice podiatry despite his inability to certify, as required by 32 V.S.A. § 3113(b), that he is in good standing with respect to taxes owed to the State Vermont. The request asked for his license to be renewed to allow him 30 days to achieve good standing, as provided by 32 V.S.A. § 3113(g)(4). By a motion passed at the Board's meeting on July 5, 2023, the Board ordered that Dr. Carmody's renewal be issued subject to the condition that it will be suspended with no further action by the Board needed if the Board does not receive documentation of good standing with regard to Vermont taxes within 30 days and shall remain suspended until notice of good standing is received from the Vermont Department of Taxes.
