

## HOME VISITING FOR FAMILIES WITH YOUNG CHILDREN

PART OF CHILDREN'S INTEGRATED SERVICES

### Welcoming an Infant? Have a young child?

#### We Offer:

- Free home visits with your own nurse or family support professional.
- Help that begins at any point in pregnancy through the age of 5 for your child.
- Visits in your home or wherever you feel comfortable.
- Convenient, flexible support to help you be the parent you want to be.

Child Development Division | Attn: Keith Williams  
280 State Drive, NOB 1 North | Waterbury, VT 05671-1040

### Partner with us to make your journey easier. We support you with:

- Pregnancy, becoming a parent, and your after-birth experience.
- Breastfeeding and weighing your baby.
- Caring for and comforting your infant and young child.
- Fun ways to play with your child to help their development.
- Ways to connect and respond to your young child to help them feel safe and secure.
- Parenting support as your baby grows and changes their routines, sleeping patterns, behaviors, potty training, and more!
- Connection to other providers, resources, and other families!
