Docket No. MPS 102-0711

**ORDER**

This is to memorialize that the South Investigation Committee considered Respondent's petition for relief from the conditions of his April 26, 2013 Stipulation and Consent Order at a public meeting held on September 16, 2015. The Committee voted to approve his request, which is hereby GRANTED. Respondent has complied with the conditions set forth in paragraphs (a), (b), (c), and (d) of the Stipulation and Consent Order in Docket No. MPS 102-0711; the conditions stated in those paragraphs are removed. The condition stated in paragraph (e) is not time-limited, and shall remain in force.
