

Quality Improvement Plan for EMS Instructor-Coordiators

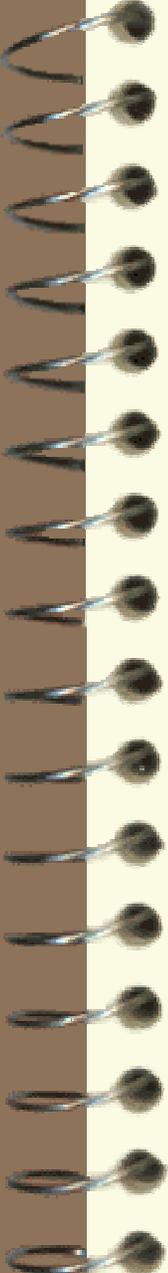

Initial Orientation

- ✓ Orientation to Vermont policies & procedures before doing first course

Self Improvement

- ✓ Continuing education for instructors
 - Would not be required until easily available
 - May be joint venture with NH

System Improvement

- ✓ Participate in ONE of the following:
 - written exam development
 - practical exam development
 - instructor development (including skill instructors and evaluators)
 - acting as mentor to new ICs

Evaluation

- ✓ ? Demonstrate provider skills for other ICs
(instead of usual practical exam)
- ✓ end of course evaluations directly to EMS
- ✓ comparison of class pass rates and scores
- ✓ periodic monitoring
 - by whom?
 - with what format?
