## STATEMENT OF COMPLIANCE FOR LICENSE

### 1. Child Support (15 V.S.A. Section 795)

A license may not be issued or renewed unless the applicant certifies that he or she is not under an obligation to pay child support or is in good standing with respect to or in full compliance with a plan to pay any and all child support payable under a support order as of the date the application is filed. A "license" is any license, certification, or registration issued by an agency to conduct a trade or business, including a license to practice a profession or occupation. "Good standing" means that less than one-twelfth of the annual support obligation is overdue; or liability for any support payable is being contested in a judicial or quasi-judicial proceeding; or the applicant is in compliance with a repayment plan approved by the office of child support or agreed to by the parties. The licensing agency may also find that requiring immediate payment of child support due and payable would impose an unreasonable hardship.

### 2. Tax Liability (32 V.S.A. Section 3113)

No state agency may renew any license or other authority to conduct a trade or business unless the applicant first verifies in writing that he or she is in good standing with respect to, or in full compliance with a plan to pay, any and all taxes due as of the date such statement is made. "Good standing" means that no taxes are due and payable; or the liability for any taxes due and payable is on appeal; or the person is in compliance with a payment plan approved by the Commissioner of Taxes. The licensing agency may condition license renewal on terms which would place the applicant in good standing with respect to any and all taxes as soon as reasonably possible, if the agency finds an unreasonable hardship.

### 3. Unemployment Compensation Contributions (21 V.S.A. Section 1378)

No agency of the state shall grant, issue or renew any license or other authority to conduct a trade or business (including a license to practice a profession) to any employing unit unless such employing unit shall first sign a written declaration, under the pains and penalties of perjury, that the employing unit is in good standing with respect to or in full compliance with a plan to pay any and all contributions or payments in lieu of contributions due as of the date such declaration is made. "Good standing" means that no contributions or payments in lieu of contributions due and payable is on appeal; or the employing unit is in compliance with a payment plan approved by the Commissioner of Labor & Industry; or, in the case of a licensee, the licensing agency finds that requiring immediate payment of contributions or payments in lieu of contributions due and payable would impose an unreasonable hardship.
