

The EMS Office is seeking a qualified individual to join our team of Ambulance Inspectors.

Duties: Travel in teams of two to evaluate the operational readiness of Vermont's ambulance fleet. Specific tasks include ensuring the ambulance is clean and in good working order, has valid DMV documentation and insurance and complies with the required equipment list.

Schedule: Approximately fifteen days a year between April and October (one or two days a week). A typical work day is eight to twelve hours. Occasional overnight trips may be required.

Work environment: Most of the work takes place inside a vehicle bay but may involve working outdoors in a variety of lighting and weather conditions. This job will involve a great deal of car travel.

Ideal candidate: Experienced, detail-oriented EMS provider and advocate for EMS regulatory functions.

Qualifications: A current Vermont EMS license; the ability to read, write and speak English; strong familiarity with all equipment, supplies and medications on the required equipment list. Preference is given to Paramedics, but all EMS license levels will be considered.

Salary: \$19.00/hour

Application process: Send a copy of your resume, a cover letter and three references to Ray Walker at [ray.walker@vermont.gov](mailto:ray.walker@vermont.gov) or Vermont Department of Health – EMS Office, PO Box 70, Burlington VT 05402
