EMERGENCY MEDICAL SERVICES OFFICE**  
Post Office Box 70, 108 Cherry Street  
Burlington, Vermont 05402-0070  
1-800-244-0911 (in VT) or 1-802-863-7310

**EMS LICENSURE AND EXAM APPLICATION  
FOR REGISTERED NURSES AND PHYSICIAN ASSISTANTS**

As a registered nurse or a physician assistant, you may apply for VT EMS licensure at any level without prior EMS education or national EMS certification upon successfully demonstrating to your sponsoring EMS agency, EMS District Medical Advisor and a Vermont licensed Instructor/Coordinator that you have the knowledge, skills, and affective competencies associated with the level you are seeking. You may gain licensure after successfully completing the psychomotor and cognitive examinations associated with that level.

**Instructions:**

1) After receiving the approval of the people listed above, select a test site to take your psychomotor examination and submit this application to the EMS Office for approval. Your application must be signed by all 4 officials listed above. Additionally, you must:

- a) Be sponsored by an ambulance or first responder service licensed at the level sought; and
- b) Meet the age requirement and provisions for crime background screening, tax liabilities, child support payments and similar requirements described by current EMS rule and VT statute.

Page 2: Please read this page carefully before you submit your application. It contains important information about the exam and certification.

Page 3: Please print carefully or type all requested information.

Page 4: Please answer all of the questions and affix your signature to this page. Once you have completed the application, your agency's Head of Service will need to sign attesting to your affiliation with that agency. In addition, your agency's Training Officer and your district's Medical Advisor will need to sign attesting to your competency to apply for this level of Vermont EMS certification.

Page 5: Please write in the location and date of the psychomotor exam site you wish to attend. If your attendance is approved, the Vermont EMS office will return this page to you as confirmation.

2) After the Department has confirmed your eligibility, you must successfully complete the psychomotor skill examination and the National Registry of EMTs cognitive Assessment examination for the level sought. You may register for NREMT cognitive assessment exams at [www.nremt.org](http://www.nremt.org).

## INFORMATION FOR CANDIDATES

The purpose of certification and license examinations is to determine whether candidates have the knowledge and skills which are expected at particular levels of training. It is important that you understand certain things in order to get a fair exam.

1. The local Exam Coordinator has set up the location of the exam, scheduled the date and time and selected the practical examiners.
2. A representative of the Health Department is present to ensure that the exam is conducted properly. **If you feel you have been treated unfairly, it is essential that you speak with the state representative before you leave the testing session.**
3. You must have a Vermont EMS license card in hand before you are considered licensed.
4. In order to be licensed as an EMS provider, you must show appropriate involvement in emergency care (e.g., be affiliated with a licensed ambulance or first responder service).
5. In order to be licensed at an advanced level, you must be affiliated with a service licensed at or above that level.
6. If you do not feel up to taking an exam because of physical illness or some other reason, it is in your best interest to take the exam at another place and time.

Psychomotor examination results will be mailed to you within four weeks. If you need to retest, you will receive written information with your results about how to register for a future exam site. The exam schedule is posted on the Vermont EMS website: [www.vermontems.org](http://www.vermontems.org).

Psychomotor examinations are simulations that cannot be as realistic as field situations, but you should take them seriously in order to do well. The stations have time limits, but you do not need to finish everything at a station to pass.

Retesting: Most people pass the exam on the initial try, but if you fail you are entitled to re-take any (or all) psychomotor stations and/or the cognitive exam at another testing session.

Summary: Your exam should be fair and impartial. You have the responsibility to take the exam seriously and to notify the state representative immediately of any problems. If you fail any part of the exam, you may retest that part two more times.

If you need any special accommodations in order to take this exam, go to the General Policies section of the National Registry of EMTs website at [www.nremt.org](http://www.nremt.org) to learn about their accommodations policies.

Notification: You will be notified in writing of admittance or non-admittance to the exam. If you have not been admitted to the requested exam, you will be provided with a list of alternate exam sites from which to choose. **Remember to write your name and address on the notification page.**
