1		<input checked="" type="checkbox"/> Inform <input checked="" type="checkbox"/> Discussion <input type="checkbox"/> Decision	Deputy Commissioner Barbara Cimaglio	Reviewing what a statewide system looks like: <ul style="list-style-type: none"> • What the foundation is • What's working well in Vermont right now • What resources people have to bring to the table • Put together recommendations to report back to legislators.
2		<input type="checkbox"/> Inform <input checked="" type="checkbox"/> Discussion <input type="checkbox"/> Decision	Overview	 <p>1417 Drug Disposal Stakeholder</p>
3		<input type="checkbox"/> Inform <input checked="" type="checkbox"/> Discussion <input type="checkbox"/> Decision	DEA Regulations	<p>Regulations were updated a few years ago to allow additional entities to collect disposed of pharmaceuticals</p> <ul style="list-style-type: none"> • Drug manufactures • Distributors • Reverse distributors • Narcotic treatment facilities • Hospitals • retail pharmacies <p>Our focus will be on pharmacies and hospitals with a pharmacy. The number of pharmacies across the state will play a big part in accessibility with drug disposal options. LE not included in the list because they are already allowed to collect controlled substances.</p> <p>Disposal boxes cannot be placed in municipal buildings if they are collecting controlled substances. Use municipal buildings to let the public know where they can dispose of drugs.</p> <p>Pharmacies are not allowed to inventory the drugs that have been put into a drop box but LE can.</p> <p>Destruction of the disposed medication from collectors such as hospitals, pharmacies etc..</p> <ul style="list-style-type: none"> • must dispose on site or send off to distributor • work with DEA agent <p>Collectors must keep inventory of all liners and mail back packages.</p> <p>Reverse distributors must dispose of meds within 30 days.</p>

				<p>Ways we can collect disposed medication:</p> <ul style="list-style-type: none"> • Take back events by Law Enforcement Agencies • Mail back programs • Collection receptacles <p>Long term care facilities</p> <ul style="list-style-type: none"> • Facilities that provide extended health care to residents • Mariann will get clarification on authorized retail pharmacy and hospitals need to be on site or off site of facility. Barbara suggested to invite someone from DAHL, they oversee long term care facilities. <p>Disposal methods</p> <ul style="list-style-type: none"> • Flushing or putting into the sewer does not meet the non-retrievable standards by authorized collectors and LEA for institutions. • Need to be careful how we discussing disposal options to community – stress disposing in receptacles • Hospice regulations – does it fall under long term care? • Deb Pierce from Solid Waste will talk with hazardous waste to get more information
4		<input checked="" type="checkbox"/> Inform <input type="checkbox"/> Discussion <input type="checkbox"/> Decision	Mapping	 Copy of LEA_DropboxTables. <p>Map update:</p> <ul style="list-style-type: none"> • Maps have info from the Health Departments Prevention Consultant where drop boxes are in their area • Make it a web based map – explore and see what each location is like, where it is, contact number, hours. • Envisioning having data layers that we can turn on and off – understand what the reach and needs are for location. • Mariann and Hilary met with Sam Francis CCOA to collaborate • Clarify with DPS if they are maintaining a map on their site.
