2			Update	Deb Pierce gave an overview of the Solid Waste Rules and Regulations: <ul style="list-style-type: none"> • Rules and regulations are being updated • Nothing surrounding drug disposal or pharmaceuticals in the solid waste regulations at this time. • Window for the public comment still open, send any to Deb Pierce • Looking at the language of regulations from Colorado along with information on Colorado’s Take Back program • Deb will send the link from Greg
3		<input type="checkbox"/> Inform <input type="checkbox"/> Discussion <input type="checkbox"/> Decision	Stakeholder Chair	Stakeholder Chair: <ul style="list-style-type: none"> • Chair person is not a health department employee • Funds come through the health dept. and recommendations go to the Commissioner and Deputy Commissioner for final approval with whatever system is recommended. • Inclusive of the community and stakeholders • roles and responsibilities are to work with Mariann with the agenda, timeframes, help draft recommendations and run meetings. • Time commitment would be limited If interested contact Lori Uerz or Mariann White
4		<input type="checkbox"/> Inform <input type="checkbox"/> Discussion <input type="checkbox"/> Decision	Stakeholder Meeting goals	 22317 Drug Disposal Stakeholde What a goal should look like for the group: <ul style="list-style-type: none"> • “Ask” from Act 173 • What are next steps to achieve “X” • Measures (e.g. # pharmacies) • Do we want to set goals or targets? • Increase Law Enforcement participating • Increase partnership with community partners • Increase public awareness of disposal options

				<ul style="list-style-type: none"> • Travel/drive time to dispose of medications • Develop recommendations for statewide system (education, pharmacy, Law Enforcement, hospitals/long term care) • Cost sharing with for profit pharmacies • Address sustainability – mandate (legislation) reporting of disposal site/process with definitions • Ways to monitor the collections and track percent of controlled vs. no-controlled and where it is coming from • Survey to the public to ask “how” and “where” they want to dispose of medications • Making sure we have a sustainable way to track disposal options in Vermont • What would “success” look like? • Promotion of activities and dissemination of information • Continuing education for professionals • Think of ways to monitor the collection • Increase % of non-controlled substance • Increase lbs. of medications collected • Mailback objective
5		<input checked="" type="checkbox"/> Inform <input type="checkbox"/> Discussion <input type="checkbox"/> Decision	Pharmacy Survey Questions	<p>Create a survey to the pharmacies/pharmacist on what they are hearing in the community and/or more information about drug disposal.</p> <p>Questions for survey:</p> <ul style="list-style-type: none"> • Do you currently have a drug disposal system? • Pharmacies have a role in reducing the impact of opiate abuse? Agree or Disagree • Are you interested in learning more about drug disposal options in VT and how your pharmacy can participate? • Do you receive inquiries from the public about proper disposal? Where do you direct people? • Are you interested in installing a drug disposal kiosk? • What barriers exist that limit your ability to participate in drug disposal? <p>Distribute survey thru the VPMS Pharmacy Board list, PC’s/Grantees help.</p>
6		<input checked="" type="checkbox"/> Inform <input type="checkbox"/> Discussion <input type="checkbox"/> Decision	Mail-back envelopes	<p>Options for mail-back envelopes:</p> <ul style="list-style-type: none"> • Takeaway – Through a Reverse Distributer, each envelope cost \$5.00 (includes disposal of medication) • Utilizing the Sheriff’s Office as a location to send the mail back envelopes. <p>How to target the more rural areas? drive time to the nearest drop boxes would be a good way to target where the envelopes go and how many to order.</p> <p>Homebound population who take medication may find drop boxes difficult to get to, possibly Meals on Wheels to disseminate envelopes, pharmacies that deliver could help with the homebound population also. Envelopes could be housed at municipal buildings, Doctors’ offices, VNA, Town Health Officers, Area Agency on Aging.</p>

				Mariann will get in writing from Chris Paquette everything that can go to the Sheriff's office the DEA will accept.
