Instructions for Renewing Your Food & Lodging Program License Online

- Carefully follow the instructions in the order they are explained.
- You will need the renewal notice that was mailed or emailed to you. This notice contains a unique online renewal code which will be used at the beginning of the renewal process.
- If your facility’s physical address has changed, do not complete the online renewal process. You must contact the Food & Lodging Program and apply for a license at the new location.
- If you have any questions regarding the online process, contact the Health Department by email at foodlodging@vermont.gov or by phone at 802-863-7221.

A license can be renewed online for 60 days before and after it expires. Once the box is checked, the renewal will be automatically added to your shopping cart.

Step 4: Answer Compliance Questions

A. A pop-up window will ask you to answer two questions regarding tax compliance and child support compliance. If you are in compliance, select OK.

B. If you are not in compliance, you cannot proceed with online renewal. Click Cancel and contact the Food & Lodging Program for further instructions.
Step 5: Update Information
