Spoke Growth

SFY2016 MAT Rate per 100,000 People

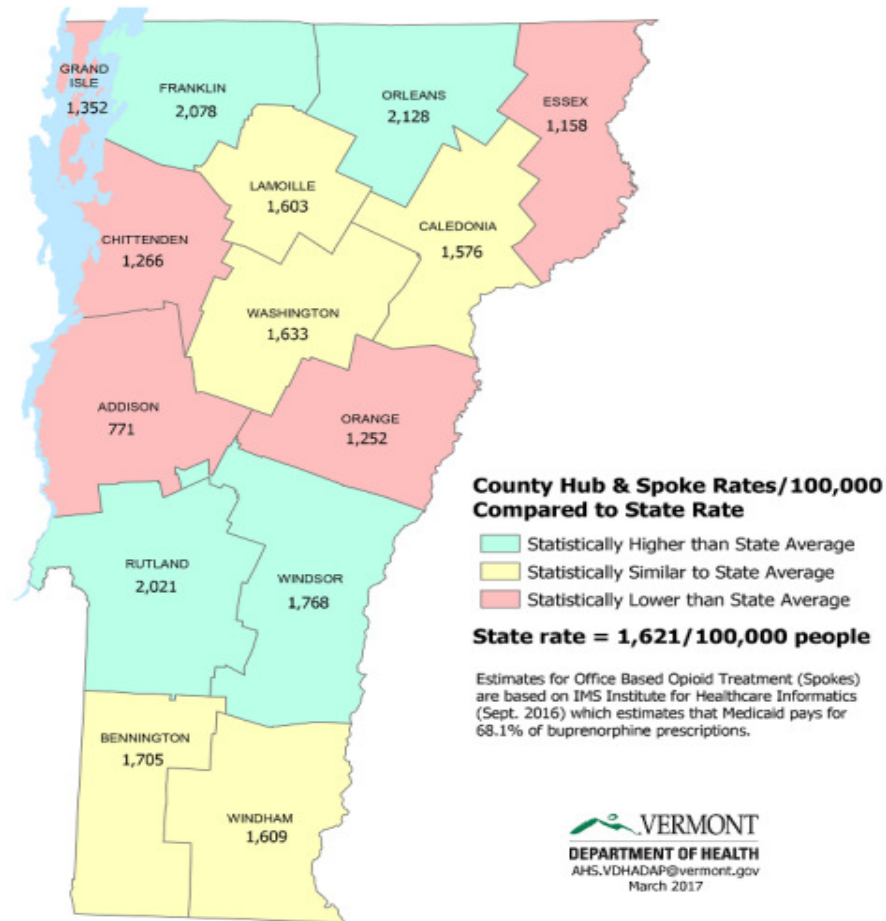

Figure 20: Presents the rate of Hub & Spoke participation per 100,000 people within each county. Shading indicates whether the rate of MAT participation was statistically higher, lower, or similar to the statewide average. This figure and calculations are produced by the Vermont Department of Health and is a non-claims measure of statewide access to treatment.
