

Vermont WIC Approved Products List
Effective October 1, 2017
[changes highlighted in green and noted with New!]

The foods listed below are approved by the Vermont WIC Program. Foods listed below qualify for compliance with Vermont WIC’s Minimum Inventory standards for retail vendors.

USDA/FNS, with the assistance of the Institutes of Medicine, has established **guidelines** that state WIC programs must follow in selecting foods for the state’s Approved Products List. To review the guidelines, go to:
www.fns.usda.gov/wic/wic-food-packages-regulatory-requirements-wic-eligible-foods

Some quantities and sizes in this list (e.g. 16 oz loaves of bread) are dictated by the FNS standards for WIC food packages.

Vermont WIC accepts **NEW food items** for consideration during the open submission timeframe beginning December 1 and closing March 31. Guidance can be found here:
http://healthvermont.gov/wic/product_submission_food_mfr.aspx

To request that a food be added to an **“any brand”** category of the Vermont WIC Approved Products List (APL), please review the proposed food items against the USDA/FNS standards **first**. If you believe the food would qualify, submit your suggestion to WIC@Vermont.gov.
