## Vermont Farm to Family Program

The Farm to Family Program gives WIC families coupons for free, locally grown, fresh vegetables and fruits from participating farmers' markets around the state.

WIC participants over the age of 6 months are eligible for Farm to Family coupons which are available on a first-come, first-serve basis. There is a \$60 maximum benefit per family.

Mark your calendar now — attend one of the activities listed here to pick up your coupons.

Can't make any of these dates? Go to [wichealth.org](http://wichealth.org) and complete a fun activity involving vegetables and fruits. Then call the WIC office to schedule picking up your Farm to Family coupons. See the back of this page for instructions.

Farm to Family activities also count towards your WIC Nutrition Activity.

See you this summer!
