Vermont Department of Health Laboratory – Blood Lead Test Requisition Form Instructions

Carefully read the following instructions. Using black or blue ink, complete the form in a clear and legible manner in the space provided. If additional space or information is necessary, submit additional pages with this form. The electronic form is a fillable document for typed entries.

Billing information may also be attached as a separate form; check box in Billing section "See Attached Sheet".

Submitter Section:

- 1. You must enter Name, Address and Telephone Number of the Practice or District Office and the Referring Physician.
- 2. Enter the Contact person or Lead designee and Phone for the individual(s) responsible for receiving elevated results.
- 3. Enter the Primary Care practice if the Submitter is NOT the Primary Care Practice.

Patient Information Section:

- 1. The following fields must be entered: **Last Name**, **First Name**, and **Date of Birth**. This information must **exactly** match the specimen label.
- 2. Select Gender, Race and Ethnicity
- 3. Enter Street Address, City, State and Zip Code.
- 4. Enter Name of Parent/Guardian and phone number if patient is a minor.

Specimen Information Section:

- 1. You must select the applicable **source** for the specimen.
- 2. Enter the Date of Collection.
- 3. Enter the appropriate **ICD-10** code.

Billing Information Section:

- 1. Provide insurance information or check "No Insurance".
- 2. Insurance information may be included on an attached sheet.

Shipping Guidelines:

- Specimens must be inside a small biohazard labeled recloseable bag in order to follow Universal Precautions.
- Specimens can be shipped through the mail using VDHL mailing tubes or delivered using a medical courier. VDHL is on the daily NECLA courier route.

Capillary tubes, venous tubes, biohazard labeled recloseable bags, instruction sheets, postage paid mailing tubes and requisition forms can all be ordered from the laboratory, **free of charge**, by calling Kit Preparation at (802) 338-4736 or use the order form. The order form can be mailed back to the Laboratory or faxed to (802) 338-4706.

All forms are available at the website www.healthvermont.gov/lab/forms

Under Forms and Ordering, the following forms are located:

- ✓ Blood Lead Test Requisition Form
- ✓ Blood Lead Specimen Collection Instructions
- ✓ Blood Lead Supplies Order Form

All fields are required to be filled out for VT/NH legal requirements for Reporting Blood Lead, CLIA certification requirements and VDH billing information.
