*Essex Rescue, Inc., is an equal opportunity employer*

Essex Rescue, Inc., is a private, not for profit, emergency ambulance service licensed at the paramedic level, located in Essex Junction, Vermont. On an annual basis, Essex Rescue responds to more than 2,700 requests for service. Since 1971, our combination department has served the communities of Essex, Jericho, Underhill, and Westford, as well as providing paramedic intercept services to many Vermont communities. For the last 50 years, Essex Rescue has been committed to delivering high quality prehospital emergency medical care.

Essex Rescue is seeking professional, energetic, and self-motivated ALS providers who are looking to polish their EMS skills. Employees are an important component of our team and necessary for the leading, training, and mentorship of our workforce. Applicants must have strong communication skills and work well with others. In addition to clinical responsibilities, employees are assigned administrative duties to support the mission of the organization.
