

FARM TO FAMILY

Come to a Farm to Family Activity to get your coupons!

Farm to Family gives WIC families coupons for free, locally grown, fresh vegetables and fruits from participating farmers markets. Coupons are available on a first-come, first-served basis to WIC participants aged 6 months and older, valued at \$30 per booklet. Your family may qualify for more than one booklet.

Attend one of these fun activities to pick up your coupons. Farm to Family activities also count towards your WIC Nutrition Activity. See you this summer!
