

40.0 Podiatrists' Professional Standards

40.1 Continuing Medical Education. Required CME: Prescribing Controlled Substances. All podiatry licensees who prescribe controlled substances shall certify at the time of each renewal that they have completed at least two hours of CME activity on controlled substances prescribing. The activity must be accredited as AMA PRA Category 1 Credit™ training or Council on Podiatric Medical Education approved training, or be specifically designated as qualifying by the Board. The following topics must be covered, as required by Vermont law: abuse and diversion, safe use, and appropriate storage and disposal of controlled substances; the appropriate use of the Vermont Prescription Monitoring System; risk assessment for abuse or addiction; pharmacological and nonpharmacological alternatives to opioids for managing pain; medication tapering and cessation of the use of controlled substances; and relevant State and federal laws and regulations concerning the prescription of opioid controlled substances. Each licensee who is registered with the D.E.A. and who holds a D.E.A. number to prescribe controlled substances, or who has submitted a pending application for one, is presumed to prescribe controlled substances and must meet this requirement. Any podiatrist who is required to certify completion of this CME to renew, but who cannot, will be subject to the provisions regarding makeup of missing CME in Sections 24.3 and 24.4.
