RFP for Substance Use Disorder Recovery Residences

Published April 15, 2026

Question #32: If a developer was interested in partnering with multiple recovery agencies to acquire appropriate properties and rent to recovery groups, would that contractor be considered a subgrantee? Are security deposits a covered expense under this RFP?

- **Answer #32:** Please identify the developer/contractor as a proposed subgrantee and include security deposits as line items in the Budget Proposal. Final determination of subgrantee status, as well as allowable and unallowable expenses, will be made during grant negotiations with the Vermont Department of Health.

Question #33: I see Broadband is an eligible expense; Are the other utilities (electric / heat / water / sewer...) and property maintenance eligible expenses?

- **Answer #33:** Bidders may include utilities (electric, heat, water, sewer) and property maintenance as line items in the Budget Proposal. Final determination of allowable and unallowable expenses will be made during grant agreement negotiations with the Vermont Department of Health.
