

Improved attendance

A proven effect of
substance
misuse prevention
programming.²

Youth Substance Misuse

Prevention By the Numbers

40%

Reduction in drug
and alcohol use with
evidence-based
programming.⁴

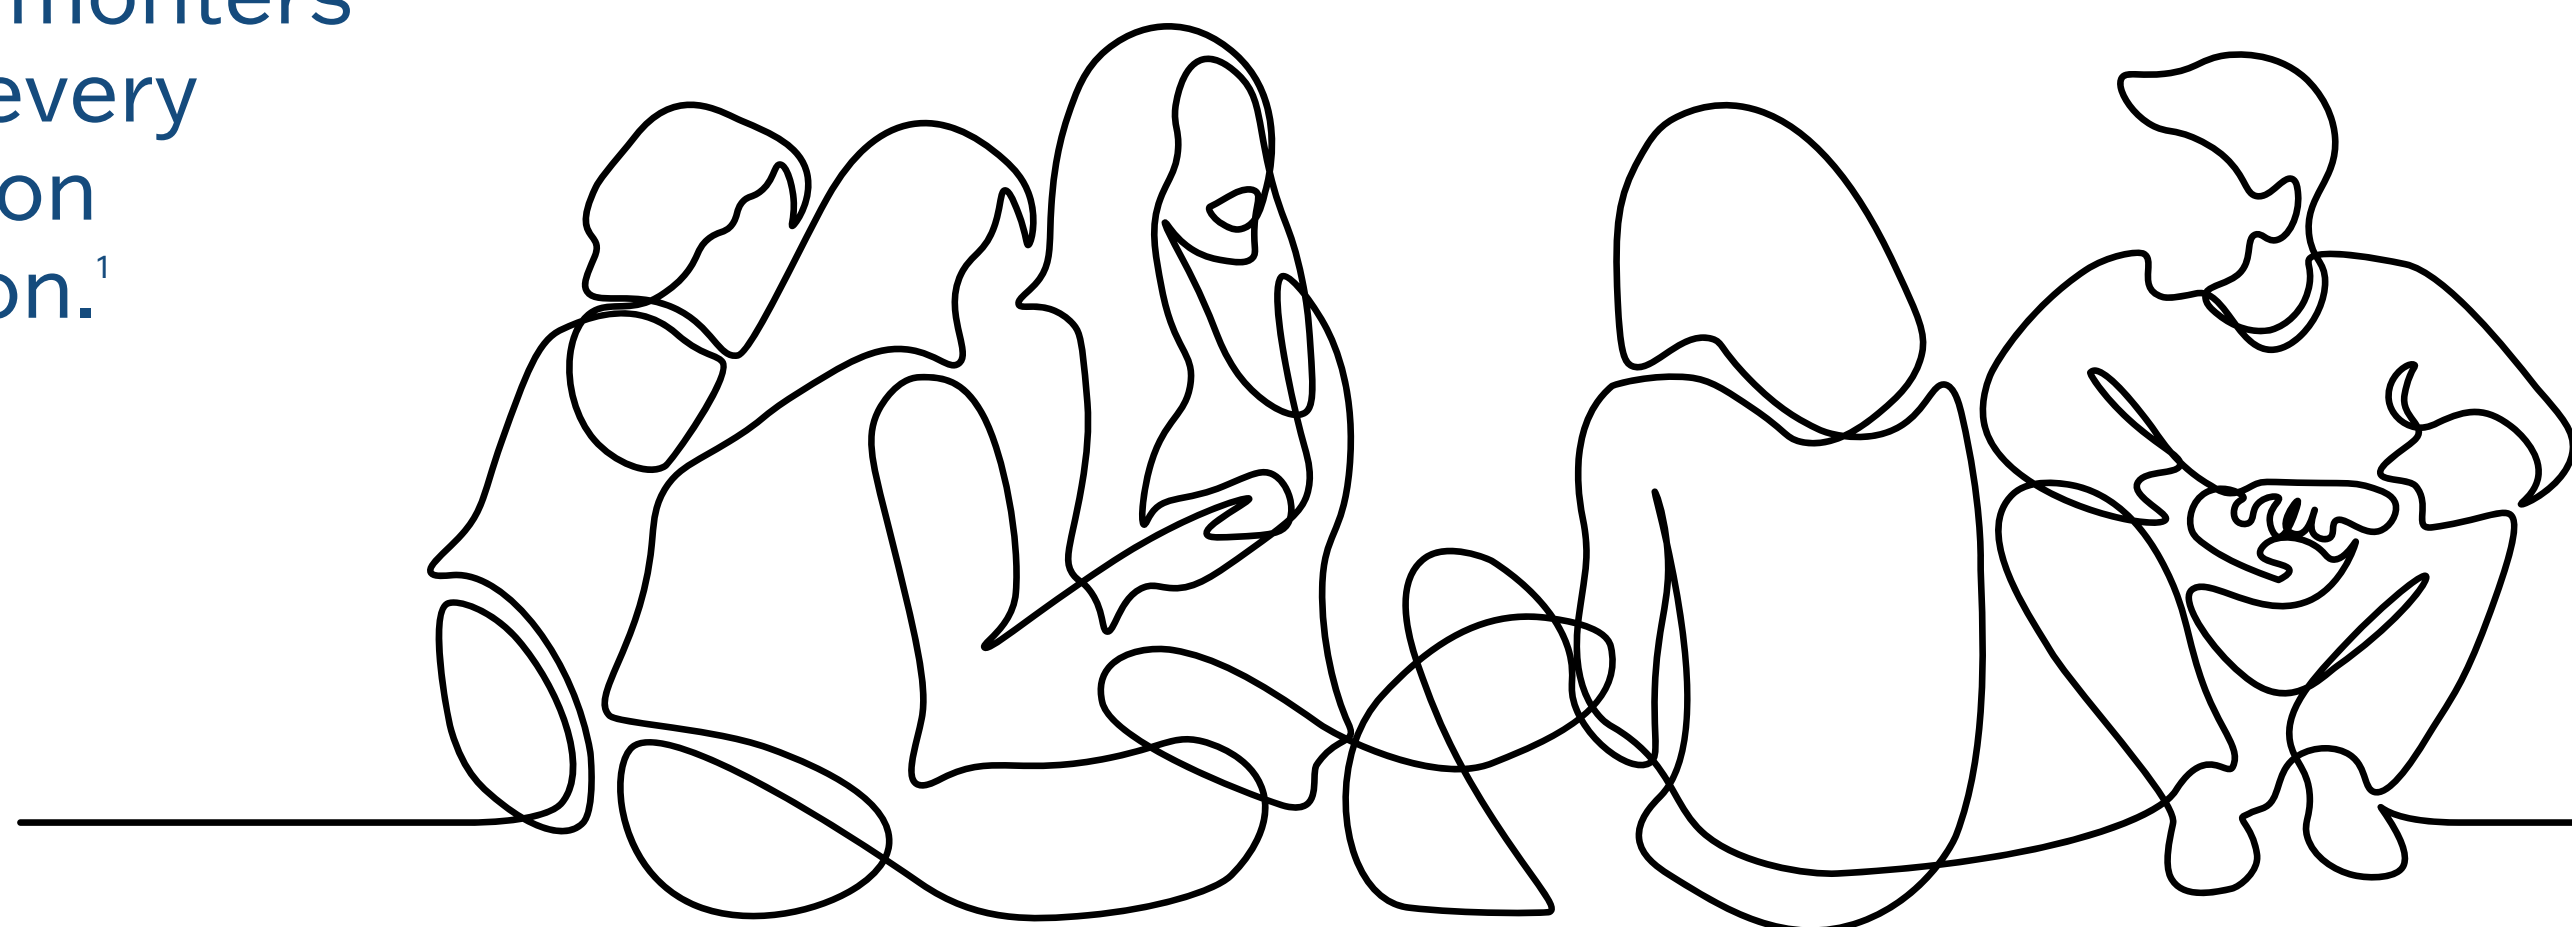

\$18

What Vermonters
save for every
\$1 spent on
prevention.¹

15-16

At this age, significantly less
likely to use substances, if
feeling connected to school.³

83,000+

School-age Vermonters that need
community support with prevention
programming.
