

Gifford Medical Center

44 South Main Street
Randolph, VT 05060

Gifford is a community hospital in Randolph, Vt., with affiliated community health centers in Berlin, Bethel, Chelsea, and Rochester, and specialty services throughout central Vermont. A Federally Qualified Health Center and a Top 100 Critical Access Hospital in the country, Gifford is a full-service hospital with a 24-hour emergency department; inpatient and swing bed units; many surgical services; cancer care services, a day care; an adult day program; and the award-winning, 30-bed Menig Nursing Home. The Birthing Center, established in 1977, was the first in Vermont to offer an alternative to traditional hospital-based deliveries, and continues to be a leader in midwifery and family-centered care. Our mission is to enhance the health and well-being of our communities by providing excellent patient-centered care including senior services.
