University of Vermont Medical Center

111 Colchester Ave
Burlington, VT 05401

The University of Vermont Medical Center is a 499-bed tertiary care regional referral center providing advanced care to approximately 1 million residents in Vermont and northern New York. Together with our partners at the Larner College of Medicine at the University of Vermont and the College of Nursing and Health Sciences, we are Vermont's academic medical center. The University of Vermont Medical Center also serves as a community hospital for approximately 150,000 residents in Chittenden and Grand Isle counties.

The University of Vermont Medical Center is a member of The University of Vermont Health Network, an integrated system established to deliver high quality academic medicine to every community we serve.
