

Lead Fees

New Fees in Effect as of July 1, 2007

The Vermont State Legislature passed Bill H.294 during its most recent session. This bill includes a revision to The Vermont Regulations for Lead Control Accreditation and License Fees (Section 3.8) and subjects all permitted lead abatement projects to fees. The new fees became effective on July 1, 2007. Please be advised that all Lead Permit Applications and Certification Applications received by this department after July 1, 2007 must include the appropriate new fee.
