

NOTICE

The use of tanning devices by persons under 18 years of age is prohibited by Vermont law

HEALTH WARNING

Tanning devices such as sunlamps, tanning booths and beds use ultraviolet radiation. Exposure to UV radiation from indoor tanning devices can cause:

- Skin cancer
- Skin burns or rashes
- Premature skin aging and wrinkles
- Eye damage (both short- and long-term)

Tanning facilities or operators violating this law shall be subject to civil penalties

To report unlawful use of tanning facilities by youth, contact your local law enforcement agency
