

Deaf, Hard of Hearing and Deaf Blind Information and Referral

The system of care for individuals who are Deaf, Hard of Hearing or Deaf Blind is made up of many providers across the state of Vermont. To make it easier to get your questions answered, please use the following three organization as a starting point:

- For questions and information related to children from birth to 3 years old: Vermont Early Hearing Detection and Intervention Program (VTEHDI) at 802 863-7326 or 802-537-0076
- For questions and information about school aged children: NineEast Network at 802 229-0100
- For questions and information about adults and elderly: The Vermont Center for Independent Living (VCIL) at 802 229-0501 (voice or TTY) or 800-639-1522 (voice or TTY)
