### STEPS IN WORK PLAN COULD INCLUDE (BUT ARE NOT LIMITED TO):

- **REQUIRED:** Meet with local law enforcement agency(ies) at least once per quarter (can be as part of RPP stakeholder meeting) to share information related to RPP goals and identify opportunities to collaborate
- Promote, fund and/or provide logistical support of sobriety checkpoints. This could include:
  - Providing funding for additional checkpoints.
  - Providing public information and educational materials to law enforcement to distribute during sobriety checkpoints.
  - Submitting a joint press release announcing upcoming checkpoints to local media outlets in advance of each one
- Promote, fund and/or provide logistical support (e.g. prevention materials to be distributed, joint press releases) of saturation/party patrols. This could include:
  - Providing funding for additional patrols.
  - Identifying a process for public (schools, parents, students) to report information regarding parties involving underage drinking.
  - Publicizing how people can report parties that may include underage drinking e.g. through school newsletters, local newspapers, emails to parents, etc.
  - Submitting a joint press release promoting patrols to local media outlets in advance of each high-risk time (holidays, prom, graduation, etc.).
- Promote, fund and/or provide logistical support of drug takeback days. This could include:
  - Providing public information and educational materials to law enforcement to distribute during takeback days.
  - Submitting a joint press release announcing upcoming takeback days to local media outlets in advance of each one
  - Promoting takeback days through social media, traditional media channels, and printed materials
  - Providing funding for drug takeback day events
  - Sharing regional takeback day results with your communities.
