CONCLUSIONS OF LAW

9. It is unprofessional conduct to engage in conduct which evidences unfitness to practice medicine. It is the position of the Board that the criminal conduct that is the subject of the charge and adjudication described above evidences Respondent's unfitness to practice medicine in violation of 26 V.S.A. § 1736(a)(6).
10. Consistent with Respondent's cooperation with the Board, he agrees that if the State were to file charges against him it could satisfy its burden at a hearing and a finding adverse to him could be entered by the Board, pursuant to 26 V.S.A. § 1736(a)(6).
11. Respondent agrees that the Board may enter as its facts and/or conclusions in this matter Paragraphs 1 through 10, above, and further agrees that this is an adequate basis for the Board actions set forth herein. Any representation by Respondent herein is made solely for the purposes set forth in this agreement.
12. Therefore, in the interest of Respondent's desire to fully and finally resolve the matter presently before the Board, he has determined that he shall enter into the instant agreement with the Board. Respondent enters no further admission here, but to resolve this matter without further time, expense, and uncertainty, he has concluded that this agreement is acceptable and in the best interest of the parties.
13. Respondent acknowledges that he is knowingly and voluntarily entering into this agreement with the Board. He acknowledges he has had the advice of counsel regarding this matter and in the review of this Stipulation and Consent Order.

Respondent is fully satisfied with the legal representation he has received in this matter.

14. Respondent agrees and understands that by executing this document he is waiving any right to challenge the jurisdiction and continuing jurisdiction of the Board in this matter, to be presented with a specification of charges and evidence, to cross-examine witnesses, and to offer evidence of his own to contest any allegations by the State.
15. The Board and Respondent agree that upon their execution of this Stipulation and Consent Order, and pursuant to the terms herein, the above-captioned matter shall be administratively closed by the Board. Thereafter, the Board will take no further action as to this matter absent non-compliance with the terms and conditions of this document by Respondent and except as otherwise provided herein.
16. This Stipulation and Consent Order is conditioned upon its acceptance by the Board. If the Board rejects any part of this document, the entire agreement shall be considered void. Respondent agrees that if the Board does not accept this agreement in its current form, he shall not assert in any subsequent proceeding any claim of prejudice from any such prior consideration. If the Board rejects any part of this agreement, none of its terms shall bind Respondent or constitute an admission of any of the facts of the alleged misconduct, it shall not be used against Respondent in any way, and it shall be without prejudice to any future disciplinary proceeding and the Board's final determination of any charge against Respondent.
17. Respondent acknowledges and understands that this Stipulation and Consent Order shall be a matter of public record, shall be entered in his permanent Board file, shall constitute an enforceable legal agreement, and may and shall be reported to other

licensing authorities, including but not limited to the Federation of State Medical Boards' Board Action Databank, the National Practitioner Data Bank, and the Healthcare Integrity and Protection Data Bank.

18. In exchange for the actions by the Board, as set forth herein, Respondent expressly agrees to be bound by all terms and conditions of this Stipulation and Consent Order.

19. The parties therefore jointly agree that should the terms and conditions of this Stipulation and Consent Order be deemed acceptable by the Board, it may enter an order implementing the terms and conditions herein.

ORDER

WHEREFORE, based on the foregoing Findings of Fact, Conclusions of Law, and the consent of the Parties, it is hereby ORDERED that:
