

Special Instructions for COVID-19 Limited Emergency License ONLY

Please be sure to follow the instructions below and NOT the instructions on the first two pages or within the application itself.

You must complete an initial online application to receive an emergency license. **Do not choose the Limited Temporary License Application.**

The following information **MUST** be included in the license application:

- All identifying and historic personal information
- Date of Birth and Social Security Number
- Medical/Podiatric/Post-Secondary school
- 1st year of Post graduate training
- **All** yes/no questions must be answered!
- List all state licenses currently active

For practice location, if known, please provide. If unknown, enter COVID-19.

The above information must be provided. All other sections are not required, and you do not need to upload documents where the form says that is required. Many parts of the application are set up as mandatory fields that will not let you continue unless filled in. For the sections other than those listed above that must be completed, when you come to a mandatory field that will not let you pass until you have entered information, enter COVID-19.

Please email me a copy of your driver's license, passport, or naturalization certificate as proof of identity.

For payment option please choose COVID-19 Limited Emergency License. You MUST hit the "next" button and finish after this step or the application will not be submitted to us.
