- 4. Any Other Business: Continuation of Discussion of CME from June 3 Meeting:** The Board voted to adjust the CME requirement for the 2020 MD renewal from 30 hours to 15 hours due to circumstances associated with the COVID-19 pandemic. An additional question is whether the Board should make an adjustment for licensees who became licensed between December 1, 2018 and November 30, 2019. Those physicians licensed for more than one year, but for less than the full licensing period, normally are required to complete 15 hours of CME. The Board could reduce that to 10 hours, which is the minimum amount required by law, if desired.
- 5. Next meeting: July 1, 2020 Virtual meeting by Skype.**
- 6. Adjourn:**
