  - **Board Retreat – for the past several years the Board has designated the September meeting as a retreat, with a compressed schedule of regular business to allow time for professional development topics. The goal for this discussion will be to determine if members want to designate an upcoming meeting for one or more professional development topics, despite the fact that there is no planned return to holding meetings in person. If members decide to have some kind of professional development, a second goal will be to identify topics of interest.**
  - **USMLE Step 2 CS Suspension – as discussed in prior meetings, the USMLE Step 2 Clinical Skills test was suspended in May for a period of 12 to 18 months. This will be to introduce Board members to some policy issues tied to the suspension of Step 2 CS that they may need to decide in coming months. A table from the 2019 USMLE report that summarizes Step 2 CS passing rates from 2017-2018 is attached.**
