

This list will be updated periodically as school pickup dates are confirmed by the courier and the Vermont Department of Health. Schools can notify parents, guardians and staff as soon as they have a scheduled pickup date, but at least five days before collecting water samples. Schools can start collecting water samples up to one week before their scheduled pickup date. Results will be emailed to schools within two to six weeks. Results will be posted on the [results website](#) one week after the school receives the results. [Independent Schools](#) are listed in separate table at the end of this document.

Public Schools are grouped by Supervisory Union/School Districts, listed alphabetically.

Supervisory Union or School District	Public School Name	Town	Sample Collection Window	Courier Pickup Date
ADDISON CENTRAL SD	Middlebury ID#4	Middlebury	10/22/2019 - 10/28/2019	10/29/2019
