

NALOXONE NASAL SPRAY SAVES LIVES. AND IT'S EASY TO USE.

In the same way some people carry an EpiPen[®] for life-threatening allergies, carrying naloxone can mean the difference between life and death.

Did you know, you can get naloxone at this location? If you or someone you know is at risk for an opioid emergency, consider keeping naloxone in your first aid kit.

- Easy-to-use nasal spray
- Safe to use
- Compact and easy to carry*

The Good Samaritan Law provides some legal protection to anyone who gives naloxone or calls 9-1-1 in an overdose situation.

Save a life. Get the details at www.healthvermont.gov/naloxone

*Due to effects of temperature on effectiveness, naloxone should not be left in car.
