Using Not Up To Date Report to Find Patients Due for TDAP

Vermont Immunization Registry

Use this report to get a list of your patients who are behind for TDAP, or for any vaccine series.

Creating the Report:

- Find and open a patient record.
- Click on Immunization Registry to get to the Immunization Grid.
- Click Practice Reports in the blue navigation bar, and then click Not Up To Date Report.
- Enter Patient Birth start and end dates
- Choose TDAP Series.
- Click Create Report to print report or Create Labels to print labels for a recall mailing.
